RECOGNIZING PUBLIC HEALTH HEROES WORKING TIRELESSLY  
BEHIND THE SCENES TO KEEP COMMUNITIES HEALTHY AND SAFE

## Clerical Team

### HOW WE ARE HELPING TO KEEP COMMUNITIES SAFE RIGHT NOW

We proudly support our organization as best we can during the COVID-19 pandemic. We direct client calls, translate documents, provide guidance to the community, support our COVID-19 assessment centre, clean and disinfect surfaces and equipment, collect and deliver swab tests and any other tasks requested.

### OUR MESSAGE TO THE PUBLIC DURING THESE CHALLENGING TIMES

*In these unprecedented times, we are listening to the concerns of our local businesses, partners, essential services, clients, and the public.*

Eastern Ontario Health Unit

## OUR ROLE IN PUBLIC HEALTH

### What we champion every day to keep communities healthy:

We provide support to front line staff, managers and the organization while also serving the public/our community

### What we would like to see for the future of public health:

Working all together we will rise above these challenges and become stronger in our new normal (post COVID-19 pandemic world).
