

#PublicHealthHeroes

RECOGNIZING PUBLIC HEALTH HEROES WORKING TIRELESSLY
BEHIND THE SCENES TO KEEP COMMUNITIES HEALTHY AND SAFE

Healthy Babies and Healthy Children Team

HOW WE ARE HELPING TO KEEP COMMUNITIES SAFE RIGHT NOW

Telephone support to families with our HBHC program. Support and guidance to protect their families during Covid-19 and advise them of government financial supports. Inform them of services that are available during Covid -19. Collaborating with Community Partners

OUR MESSAGE TO THE PUBLIC DURING THESE CHALLENGING TIMES

“The amazing thing about working in Public health is that things are constantly changing. We are here to provide you the most up to date information available. Despite not being able to complete home visits at this time, we are here to support you.

Eastern Ontario Health Unit

OUR ROLE IN PUBLIC HEALTH

What we champion every day to keep communities healthy:

We work with community partners, and individuals to help ensure that people have a healthy place to live, grow, work and play. Link and advocate for community supports. Provide support for growth and development, parental wellbeing. Flexibility and Adaptability to ongoing changes to meet family's needs.

What we would like to see for the future of public health:

Appreciate the opportunity to hold our loved ones close and to spend time with family and friends doing the simplest of things and enjoying their company.
