RECOGNIZING PUBLIC HEALTH HEROES WORKING TIRELESSLY
BEHIND THE SCENES TO KEEP COMMUNITIES HEALTHY AND SAFE

KAREN TAYLOR

Public Health Nurse

HOW I'M HELPING TO KEEP COMMUNITIES SAFE RIGHT NOW

- 1) helping people access the care they need, at home, in their community
- 2) helping health care partners access resources needed to help their clients

MY MESSAGE TO THE PUBLIC DURING THESE CHALLENGING TIMES

*“Your public health unit
is working with you, to
defeat COVID-19”*

MY ROLE IN PUBLIC HEALTH

What I'm championing every day to keep communities healthy:

Help prevent opioid overdoses, assist with cessation support, help youth and young adults positively impact their health, strive for health equity for all community members.

What I would like to see for the future of public health:

In a post-pandemic world, public health is the obvious choice for a 'cure' to a healthier country
