RECOGNIZING PUBLIC HEALTH HEROES WORKING TIRELESSLY
BEHIND THE SCENES TO KEEP COMMUNITIES HEALTHY AND SAFE

JENNA SHAW

Registered Practical Nurse

HOW I'M HELPING TO KEEP COMMUNITIES SAFE RIGHT NOW

Providing phonline response for the general public with inquiries related to COVID19. Also leading an administrative team to collect and process all labs received for LTCH Universal Swabbing initiative.

MY MESSAGE TO THE PUBLIC DURING THESE CHALLENGING TIMES

“Smile and be kind to one another, we can get through this together!”

MY ROLE IN PUBLIC HEALTH

What I'm championing every day to keep communities healthy:

I am a Registered Practical Nurse in the Immunization Program coordinating school immunization clinics as well as public immunization clinics.

What I would like to see for the future of public health:

My hope is that more individuals will trust that immunizations save lives. Adhering to the public health recommendations can help our world avoid a potential future public health crisis.
